

HOW TO ACCESS I CAN PROGRAMS

We are very proud to be a national leader in providing Autistic-led mentoring (school-based and online) to Autistic young people in Australia, providing meaningful insights through our Speakers Agency and Autistic-informed professional development workshops.

Here is a brief overview of our cornerstone programs and how families and schools can access them. For more detailed information, please see the links below or view our related webinar via our I CAN Network YouTube channel: www.youtube.com/theicannetwork or click this title link to view - [How To Access I CAN Programs](#)

I CAN SCHOOLS

What we offer: We offer weekly one hour, group mentoring sessions for up to 16 Autistic students in both primary and high schools. Our packages also include educational talks for students and parents as well as professional development workshops for staff.

Areas served: Greater Melbourne, South West Victoria, Goulburn Murray Victoria, Brisbane Queensland, South East Queensland, North Coast Queensland

How to access: Interested schools can reach out to us at mentoring@icannetwork.com.au for program details, prices and packages. For families who are keen to bring our program to their young person's school, we recommend starting with hosting an I CAN presenter on campus for an introduction presentation. We can also provide tailored templates and information for parents/carers to use for approaching school leadership who might not be familiar with our programs.
