HOW TO I CAN® GUIDE

STEP 1

Our I CAN School® Group Mentoring Program consists of 8 x one-hour sessions over a whole school term.

STEP 2

Fill out our **EXPRESSION OF INTEREST FORM** by clicking on the QR code below. You will hear from I CAN about which school terms, time slots and delivery mode (in-person or online) are available.

STEP 3

Student participants are chosen by each school's Disability Inclusion Coordinator who then liaises with each student's parent/carer.
Participation is always voluntary and the program can be easily adjusted for students with an intellectual disability.

"THE PROGRAM HAS BEEN SUCH AN AMAZING EXPERIENCE"

- COURTNEY TEACHER, PARKDALE HIGH SCHOOL

WHAT STUDENTS SAY:

Every student will have their own experience.

"Being a part of I CAN has opened me up to experiences I would of not have had otherwise. I have also met many great people who share my passions and who understand me in a way others can't"

"What I get out of I CAN: opportunity to interact with people like me; strategies for some of my problems; get to know more about me and a better understanding of autism for myself and others; I feel like I can be myself!"

Participants can give the program another name depending on their level of autistic understanding, self-acceptance and pride. For instance, many students refer to the program as a 'leadership program they were selected for'.

HOW DO I FUND THE PROGRAM AS A VICTORIAN GOVERNMENT SCHOOL?

Government schools can use their Disability Inclusion funding (Tiers 2 and 3), or their School Mental Health Menu budgets to purchase the program. If these budgets have been maximised, government schools new to the I CAN program can speak with their local School Focussed Youth Service Provider to help them pay for the program in their first year.

After we receive your interest and confirm our availability, we then send you a quote and our I CAN® service agreement. Upon receiving your signed agreement, we send you an invoice and an online student registration form to distribute to interested parents/ carers.

REGIONAL, RURAL & REMOTE VICTORIAN GOVERNMENT SCHOOLS

INTER-SCHOOL

Many regional and rural schools partner to deliver an inter-school I CAN School® mentoring program at a local school. Each partnering school selects a small group of students to participate in the mentoring sessions. *Please note that a travel levy, depending on the distance from an I CAN regional centre to the school, will apply.
