I CAN SCHOOL

Supporting Neurodivergent Students

Work Avoidance

Hosted by: I CAN CEO **Chris Varney**

I CAN® warmly invites school teachers to a free, online professional learning session focused on supporting neurodivergent students with work avoidance. Hosted by our Founder/CEO Chris Varney, this one hour session will provide teachers with both insight and practical strategies for classroom teachers.

This FREE Professional Development session offers a unique opportunity to understand:

- The underlying causes of work avoidance.
- How work avoidance presents in students.
- Why writing tasks are a common problem.

Free Online PD

BAYSIDE & PENINSULA AREA

Whether you're working in primary or secondary education, this session will equip you with knowledge, empathy, and practical approaches to support students who are finding work tasks overwhelming. This is only open to schools in the **Bayside / Peninsula Area** and schools can have a maximum of four staff members attend the online session.
